# PHILIP DIMANOV

UX / UI Designer & Software Engineer

## Born

July 18, 1980

## About

**Hi, my name is Philip and I'm passionate UX and graphic designer located in Berlin, Germany.**
I'm in love with clean, simple user centred and aesthetically attractive designs and light as a feather code.
I am designing and building web sites for more than 15 years and I'm in tight relationship with
the latest technologies and best practices used in the industry.
